ATTENTION:

FREE COVID TESTING

Thursday, January 7, 2021, there will be a testing site located at 1567 FM 3175, Lytle, Texas 78052. From 8a-5p or while tests lasts.

It'll be a drive thru test that returns results in a couple of days(not rapid testing).

Next week, January 11-15, 2021, a week long COVID test site will be established at the Poteet Strawberry Festival grounds. It will run Monday through Friday from 8a-5p. It's not a rapid test and results can be expected after a couple of days. No pre-registration required...you'll be able to register there. This is FREE as well.

Please utilize these opportunities to get tested if you were in contact with family and friends these past holidays. Let's work together to knock Covid out of our lives and open our 2021 year up!

We will do our best to answer any questions here as possible. Thank you!
